

18 June 1951

MEMORANDUM FOR THE CHIEF, COMMUNICATIONS  
DIVISION

SUBJECT: Communications Facilities,

25X1

1. A new OSO station has been established in the

The station will be activated on 2 July 1951  
and will be located [redacted] The station will be

25X1

25X1

25X1

2. One of the main reasons for the establishment of this station is to enable OSO to service [redacted]

25X1

[redacted] and to take over from CIC many of the functions which that organization is now performing in the [redacted] Among the most important of

those functions is the observation and surveillance of  
travellers to and through the [redacted] In order  
that the station may function properly, it is believed essen-  
tial to establish means of rapid lateral communication

25X1

between the station and other stations in

25X1

\_\_\_\_\_

3. It is therefore proposed that a radio station be established at [ ] as a part of the OSO station there and that suitable arrangements be made for lateral radio communications between that radio station and other stations of the [ ] net.

25X1

25X1

4.

has stated that he believes.

25X1

the [ ] will offer no objections whatever to the establishment of such a radio station. As a matter of fact, in various conversations, as well as written reports and communications, [ ] officials have stressed the need for rapid lateral communications in that area.
